What Our Customers Have to Say

Fast and Friendly is how I would describe the service I received in this doctor's office. Aaron provided excellent customer service and was very knowledgeable. He repaired my crushed iPhone 6 Plus screen while I waited. I highly recommend the Computer Repair Doctors for ALL of your phone and computer repairs.

First time customer and I was very pleased. Very professional, prompt, with excellent price point. They diagnosed and fixed my laptop within a few days. I received followed up notices via email and text.

Thanks for the great service!!! - Madelyn A.

Phenomenal and fast job done on my computer LCD screen and my cracked iPhone face. It was cheap and Aaron Schoefler (the one who did it all) was very awesome and helpful. He had to do extra work on my phone and didn't charge me at all! Me and my boyfriend sat in there while he fixed everything real fast. I highly recommend him and Computer Repair doctor if you need something fixed.

Lucas and computer doctors are great. We have had repairs done on one iPad at a very reasonable price and quick service. Today, Lucas gave us options of repair or buy a replacement on another iPad -giving us honest, frank advice I highly recommend them. - Sarah B.
