# THE NEW NORMAL IN HOME PAINTING

## Who's Behind the Elephant?

**Raleigh natives, Chris and Kelly Edwards, also known as "Raleigh's Renovation Twins"**, began their painting careers while managing crews for a large scale local painting company in 1997. The brothers would go on to earn MBAs from East Carolina University and began renovating historic homes in the emerging Downtown Raleigh area in the early 2000s. Orange Elephant grew out of their desire for unmatched quality in painting and home improvement. Today they operate the company with the mantra, "we want to be the painting company we could never find." In so doing, Orange Elephant has become **The New Normal in Home Painting**. Their work has been featured in *Business Insider*, *The San Francisco Chronicle*, *Yahoo Finance*, *Think Realty Magazine*, and more. In August 2016, Kelly and Chris received the Think Realty "Property Rehab Specialist of the Year Award". Kelly is a proud husband to his wife Allison and happy new father to his daughter, Kaitlyn, who keeps their family very busy. Chris is married to his lovely wife, English, and is a devoted father to his son Tyler.
